

Dear Professor Leider:

The Landscape Architectural Accreditation Board at its July 31 - August 1, 2009 meeting granted accreditation for a six (6) year period to the course of study leading to the first professional BLA degree at Oklahoma State University, subject to review of annual reports and maintenance of good standing.

Accreditation is awarded on a time-certain basis. The six-year period of accreditation ends June 30, 2015. Accordingly, the BLA program is next scheduled for a review during the spring of 2015.

In making its decision, the LAAB considered the program's self-evaluation report, the visiting team report, the institution's response to the team report, and discussions with team members and program faculty.

Enclosed is a copy of the final visiting team report and a list of recommendations affecting accreditation (to be responded to in annual reports) and suggestions for improvement. This list was developed by LAAB from the materials reviewed during the meeting.

On behalf of the visiting team, I would like to thank you for the hospitality extended to them by the faculty, staff, and students.

Sincerely,

Bernard Dahl, FASLA

LAAB Chair
